CONFIRMATION

License for coverage of 2008/09 ISU Events by Accredited Internet and Photographic Media

ISU Event: European Figure Skating Championships 2009

I am fully aware that for legal and/or contractual reasons neither the Event Organizing Committee nor the International Skating Union (ISU) can allow the use of moving images or audio coverage of its events on any Internet sites. For this reason, **no video, moving images, or a series of single pictures or images that resemble video or moving pictures and/or audio coverage** from within the venue of the above-mentioned ISU Event will be permitted. Media organizations may feature **still pictures** (photo images) on their Internet sites provided such pictures are not animated by any effect or "rotated" in such a way as to be sequential.

I hereby confirm that I will, **take only still photos and no moving images, and I will not record any audio** of the above-mentioned ISU Event. Furthermore, I fully understand that should I, or any party I represent, transgress any of the conditions mentioned above, I will be excluded from the ISU Event, my accreditation will be confiscated and legal actions might be taken against myself and the organization I represent.
